# RUGGED GEAR

We had **VINNIE JONES**, the ballsiest Brit since Margaret Thatcher, test the toughest new gadgets.

## BOSCH POWER BOX

\$180

The aluminum roll cage serves as this stereo's hard hat.

**VINNIE:** "It's great to bring along when you're fishing or building. It's also great for throwing at the family when they piss you off." [boschtools.com](http://boschtools.com)

## OLYMPUS STYLUS 770 SW

\$380

This 7.1-megapixel digicam can take a hit or a dousing.

**VINNIE:** "It'll withstand temps as low as 14 degrees—good if you're in the woods of Moscow." [olympusamerica.com](http://olympusamerica.com)

## DELL LATITUDE ATG D620

FROM \$2,499

A notebook that's built like a tank.

**VINNIE:** "Most PCs break if you lather their tights, but you could snap this one's leg and it would still hop along." [dell.com](http://dell.com)

## VERIZON G'ZONE TYPE-V

\$300 WITH TWO-YEAR CONTRACT

This cell phone is water- and shock-resistant.

**VINNIE:** "Throw it in a beer, drink up and put it back in your pocket. You'll never lose it." [verizonwireless.com](http://verizonwireless.com)

## BLACK DIAMOND SWITCH-BACK PC

\$4,500

A customizable ultramobile computer that's tough as nails.

**VINNIE:** "It just looks ballsy. Again, great for throwing at someone." [groupmobile.com](http://groupmobile.com)

## SEGWAY X2

\$5,495

The all-terrain version of the futuristic personal transporter.

**VINNIE:** "It's the SUV of Segways, innit? A must for the golf course. I think this is brilliant—especially if they give me one free." [segway.com](http://segway.com)
